THE Columbia Grafonola is a musical instrument of magnificent range and power, yet capable of the utmost

The wonderful Columbia sound-chamber, as responsive to every slightest vibration as the body of a 'cello; the sensitive Columbia reproducer; the perfected tone-arm and the tone-control "leaves" that operate on the principle of an organ's shutter-all exclusive Columbia features, representing the highest developments of acoustic science-give the Columbia Grafonola a clearness and flexibility of tone not even approximated in any soundreproducing instrument heretofore devised. The musicianly qualities of the Columbia Grafonola, and the matchless fidelity of Columbia records have made both pre-eminently the choice of musicians of discrimination. "Hearing is Believing." and driving a car or to be caught running away from the scene of an accident. At present it is difficult to hold responsible the owners of vehicles figuring in accidents, for if their registrations are revoked a friend's or relative's registration offers an easy way out.

Figures compiled by the Police Department show that from January 1 to November 30 20,570 persons were injured by vehicles in the city streets. Deaths resulted in 567 of these cases. Only eighty-eight of the total number of the Queens Land Title Company, was summed before Magistrate Simms in the West Side Court yesterday and released until to-morrow on his own recognizance to answer charges preferred by John Miskiewicz, an upholsterer in the Waldorf-Astoria, who alleged that he bought two lots at Massapequa. Long Island, on the instalment plan, and that when payments were completed he was unable to get a title to the property from Haight.

MAYOR AT ATLANTIC CITY

Plans Week's Rest Before Taking Up Budget.

Budget.

Mayor Mitchel, accompanied by Mrs.
Mitchel, went to Atlantic City yesterday for a week's stay. The Mayor has regained his strength so rapidly since his operation for appendicitis that it was said it was with some difficulty members of his family persuaded him to go away for a week's rest before returning to his duties at the City Hall.

On his return the Mayor will take up the city budget, as passed by the Board of Aldermen. It must be signed by the Mayor, the Controller and the City Clerk by December 25. The Mayor at an early date will appoint nine members of the Board of Education.

Yonkers' Population 90,913.

Secretary of State Hugo made pub-lic a report yesterday showing that the population of Yonkers, by the final census returns, is 90,913. The city made the largest proportionate gain of the second-class cities of the state. It increased 11,110 over the population of 1910, which the Federal census fixed at 79,803.

Philadelphia, Dec. 2.—The three suffrage envoys, who have brought by automobile from California a petition to be presented to President Wilson and Congress next week, urging the passage of a federal amendment enfranchising women, were welcomed here to-day by Mayor Blankenburg, who attached his signature to the petition.

Earlier in the day the envoys—Mrs. Sarah Bard Field, Miss Maria Kindberg and Miss Ingebord Kindstedtwere tendered a reception by several hundred prominent Pennsylvania suffragists. Addresses were delivered by Mrs. Field, Mrs. Rudolph Blankenburg, wife of the Mayor, and others.

"We are sorry that Philadelphia did not do better at the last election," said Mrs. Blankenburk, "but, unfortunately, the voters here are not independent citizens. They take orders from dictators. To succeed at the next election we must convince or convert the dictators. Even that is not hopeless if we go about it in a sane way."

The principal requirement is that such an acceptance must be based on a transaction covering a shipment of goods, to be evidenced by the accompanying shipping documents or secured by warehouse receipts.
